

Accurate and Robust
Medical Scale

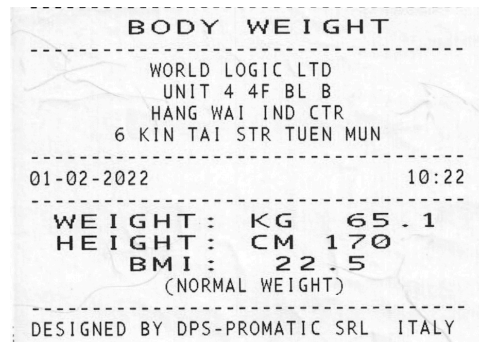

Body Weight Model BWS-XA

BWS-XA is a modern professional medical scale equipped with colour display and printer with automatic cutter, ideal for the hospitals, clinics, beauty centre and gym clubs. It is a professional, high quality, accurate and robust, easy to use scale. It measures weight, height and prints a ticket with BMI value.

A special feature, used for the first time in this scale, is the colour indication of BMI condition.
